Mon - Fri 9:00-15:00, Sat 10:00-13:00

Tel 26 930653

In Search of Common Myth is the first part of 2-year artistic exchange between the city of Pafos (Cyprus) and Leeuwarden (the Netherlands) .

In this project in Pafos, 8 artists from Cyprus and the Netherlands explore the “myths” of Pafos by reinterpreting and recreating symbolic narratives. Artists have also collaborated with local citizens and created works which reflect the local knowledge and personal stories.
